Honoree John D. Warner

The Nourishing Roots Award honors an individual or organization that has made a significant impact on IslandWood, going above and beyond to nourish the roots of our foundation. Please join us in celebrating this year's recipient, John Warner, and the incredible impact he's made on IslandWood and in our community.

DINNER IN THE WOODS HIGHLIGHTS

Broadcast from our Great Hall, the online event includes live speakers, inspiring videos, the Nourishing Roots Award, thoughtfully curated live auction items, an education moment, and will end with a community concert.

Table hosts for the evening are encouraged! Invite your friends and host a pre-party over Zoom, and we'll take care of the details for your gathering. Table hosts for ten guests or more will be mailed a special party box the week of the event!

Thoughtfully curated auction items will be available for bidding starting May 1, with a few exceptional live items featured during the evening program on May 8.

Enjoy an IslandWood Grazing Platter during the program! Artfully prepared by our kitchen, the boxed platter will feature an array of cheeses, plant-based spreads & tapenades, fruit, desserts and more. Optional wine pairings available from Chateau Lill featuring Lill Family Wines. Pick up on Saturday, May 8 at our Bainbridge Island campus, Chateau Lill in Redmond and in the SoDo district of Seattle.

ISLANDWOOD COMMUNITY WEEK

MAY 3–7, 2021

We're celebrating environmental education the entire week leading up to Dinner in the Woods and would love for you to join us! For more information about these opportunities to learn, connect, and explore in community, please visit **islandwood.org/communityweek**.

Monday, May 3: Experience IslandWood as children and educators do and join us for classes taught over Zoom by members of our education team.

Tuesday, May 4: Gather over Zoom and celebrate recipients of this year's Patsy Collins Award. The award recognizes teachers who extend learning beyond the classroom to deepen students' understanding of their environment, community, and world.

Wednesday, May 5: Enjoy a morning or afternoon of open trails at our Bainbridge Island campus, or take a virtual walk through the Brightwater Wastewater Treatment Plant. Proudly sponsored by Clark Construction.

Thursday, May 6: Grab your gloves and join us for community stewardship projects, either on our Bainbridge Island campus, or at other community sites throughout the greater Seattle area.

Friday, May 7: Follow along on our social media channels as we spend the day celebrating the work of our partners, who enable us to create powerful environmental educational experiences.
